

Dear

I am writing to ask you to begin praying about supporting me this summer to participate in a mission project with my church. Lord willing, I will be going with a group from Clearwater Community Church to Santiago, Dominican Republic to serve alongside church-supported missionaries, Rich and Holly Vallette, in their ministry to the Dominican people. Our prayer is that we would be able to encourage Rich and Holly by serving them practically and that we would also have opportunities to share the Gospel with those in their community who have not yet heard. We will be doing manual labor at the church as well as holding Vacation Bible School for the children of the community. We will also be going into the local neighborhoods to spend time with the people in their homes.

My total cost for this trip will be **\$1000.00**. Part of my responsibility as a member of the team is to locate individuals who would be interested in supporting me both prayerfully and financially. Would you please pray and consider being a part of my support team?

Please respond using the enclosed pre-addressed envelope before **June 1**. Please tear off and enclose the bottom portion of this letter with your response. Thank you in advance for considering how you might be involved. I am so excited for this opportunity and am grateful for any involvement you would like to have.

Sincerely,

---

\_\_\_ I will keep you in prayer as you prepare to go and while you are in the D. R.

\_\_\_ I will support you financially with the enclosed one time tax-deductible gift of  
\$ \_\_\_\_\_. (**Checks made payable to Clearwater Community Church**)
